FAQ

- **What kind of game is *All-Pro Angler*?**

All-Pro Angler is a casual fishing game simulation. Use a wide variety of fishing equipment and lures to catch record-weight fish. Take on individual fishing challenges or catch them freely in one of two modes: Tournament and Free Fishing. Experience three engaging fishing methods: Lake Angling, River Spinning, and Big Game.

- **How do I get *All-Pro Angler*™ on my mobile phone?**

To get the game, follow the following steps:

1. From your mobile phone, which must be "Get It Now"-enabled, go to the appropriate menu that allows you to download games.
2. Select the Shopping Cart (older models) or Get New Games (new models) to access the game shop. You will find the game in the appropriate game category.
3. Once you select the type of pricing plan you wish to purchase, you may begin playing the game as soon as the download completes.

- **Do I need to be familiar with real-life fishing to be able to play *All-Pro Angler*?**

No, All-Pro Angler will walk you through every step to become a successful angler. The game features simple D-pad controls which simulate real-life fishing commands. Tutorial and practice modes are available for each fishing method available in the game, so you can work at your own pace to learn all the tricks of the trade.

- **Is there anything to do after finishing Tournament Mode?**

Yes, the game also features a Free Fishing mode where you can access any previously unlocked environment and catch as many fish as you please without the pressure of an objective to meet or a time limit. Also, you can always replay Tournament Mode for a higher score.

- **Who do I contact for troubleshooting?**

You can contact SkyZone Entertainment, Inc. for more information and assistance on the game:
