Product Description

Twice! Is the tile matching memory game that will have you scratching your head. Try your hand at any of the 3 game modes such as Agile mode where players vie to race against the clock and match all the tiles before the time runs out, or try the difficult Smart mode in which players shoot for high scores by trying to match 48 tiles as fast as possible. In Sly mode players try to complete levels by matching tiles in a limited amount of moves. Twice! Is a game about memory so remember to have fun!

FAQs

• How do I get *Twice!* on my mobile phone?

To get the game, follow the following steps:

1. From your mobile phone, which must be "Get It Now"-enabled, go to the appropriate menu that allows you to download games.
2. Select the Shopping Cart to access the game shop. You will find the game in the appropriate game category.
3. Once you select the type of pricing plan you wish to purchase, you may begin playing the game as soon as the download completes.

•What is the difference between *Sly mode* and *Agile mode*?

Sly mode challenges the player to match all tiles using a limited amount of turns, where as *Agile mode* is time based and stages must be completed within the time given.

• What does that butterfly do?

The butterfly will temporarily give you unlimited time or moves depending on what mode you are in..
