## **Frequently Asked Questions**

1. Submit the FAQ in a MS Word format—other formats will not be acceptable. However, when publishing to the general audience, the document will be turned into a PDF format to prevent the misuse of the document and its materials.
2. Please do **NOT** change the font or the size. This template needs to stay as is.

- **How do I get *Waterfowl Hunting* on my mobile phone?**

To get the game, follow the following steps:

1. From your mobile phone, which must be "Get It Now"-enabled, go to the appropriate menu that allows you to download games.
2. Select the Shopping Cart to access the game shop. You will find the game in the appropriate game category.
3. Once you select the type of pricing plan you wish to purchase, you may begin playing the game as soon as the download completes.

- **What kind of game is *Waterfowl Hunting*?**

*Waterfowl Hunting* is a hunting simulation where the player will take on three exciting hunting methods and compete in Tournaments with unique challenges to earn different trophies and cups.

- **What are the hunting modes in *Waterfowl Hunting*?**

The first mode is Sneak-Up, where you will carefully approach birds to shoot before scaring them away. The second, Flushing, requires a dog to flush out ducks from swampy areas. The third mode is Luring, where you will use an array of calls and lures to attract different types of birds.

- **Who do I contact for troubleshooting?**
